A few words about THCG Business report from our readers

Readers acceptance is the ultimate booty of any editorial effort. It is specially rewarding in this demanding -while not yet transparent- zone of Cuban business, laws, investments and trend studies.

This is a newly opened door to a gloomy room where we see more hopes than windows, and the real opportunities make elusive yet bright appearances.

You can only succeed when you approach your goals with solid information, when you are one step ahead

of the competence thanks to the work of experts deeply committed to give you those deep, unbiased assessments that only come from the vast experience of a select team.

For their keen expertise on Cuba, the enthusiasm of our readers is twice rewarding and highly encouraging for us.

Here are some of your views on our Business Report. To all of you, thanks.

There is an old saying in Spanish, translated as: "in the land of the blind, the one eyed man is king". Well, armed with the THCG Business Report, one can finally navigate an under-reported market with both eyes open. One of the greatest impediments to doing business in Cuba has been the lack of thorough, objective and un-politicized market intelligence. The THCG Business Report changes that and provides investors and exporters with the crucial first blush of data and insight that they need to make sense of both opportunity and risk in Cuba.

John Price

Managing Director at America's Market Intelligence

"The THCG Business Report provides a tremendous wealth of information for anyone looking at Cuba. Emilio and his team have incredible insight into what is happening in Cuba."

Yosbel Ibarra

THCG Business Report is the most in-depth business and legal analysis for planning market entry into Cuba I have ever seen. The research is detailed, analytical and directional, with interesting background and future projections data. The Havana Consulting Group Business Report is an essential first step when exploring Cuba as a future market for your company.

Pedro Freyre

Chair if International Practice at Akerman Senterfitt LLP

THCG Business Report is a very useful informational resource for anyone interested in looking at the Cuba opportunity. Emilio Morales and his team have a unique mix of professional experience, access to actionable data, and most importantly a first hand understanding of the Cuban reality based on their long standing involvement with Cuba.

Marc Frank

Journalist for Thomson Reuters and the Financial Times (He is the best foreign journalist reporting from Cuba today)

As Cuba and U.S. – Cuban relations move forward there is an ever increasing amount of information about the subject and how it relates to business. Within the deluge I have found THCG BUSINESS REPORT to be invaluable due to its timely focus, impeccable research and perspective. Don't leave home without it!
